

## This just in

**M**otor magazine has chosen BG Products, Inc. for the fourth year in a row as a recipient of its highest award, the *Motor* magazine Top 20 Tools of the Year. This 2006 award was given in recognition of the BG Performance Oil Changer, Part No. 9800.

To help subscribers learn more about the BG 9800, *Motor*

featured an overview of the service and its uniqueness to the industry in its September issue. Now for the first time this year, *Motor* is also featuring their Top 20 Tools on-line at: <http://www.motor.com>—Where you'll not only see a brief overview of the BG Performance Oil Changer, they offer a video and .pdf option. The video that identifies the BG 9800's benefits and its multiple advantages targets both the equipment and the products. Look for your copy of *Motor* 2006 September issue and visit the site for more info. 🟡
