

## This just in...

The investigative news team of WRGB CBS 6 Television in Albany, New York, has been debunking outrageous fuel claims on their eleven o'clock news for the last month.

Recently, they reported that they've "finally found something that worked!" They claim the service delivered on its promise to improve gas mileage.

Want to know the name of this fuel saver? Go to [www.bgprod.com/fuelstory](http://www.bgprod.com/fuelstory)

Imagine...something that really works! 🍌

*Jerry Gretzinger of WRGB 6 in Albany, NY reports on fuel-saving products.*
